

Optometry

Office hours:

Monday - Friday: 7:30 a.m. - 4:30 p.m. We are closed on wing down days, PACAF family days, and federal holidays.

Location:

Building 99, bottom floor, next to Flight/Navy Medicine

Take the main entrance elevator by the coffee bar to the bottom floor, exit to your right, and follow the hallway through the double doors. Optometry is the first department on your right, across from the Urgent Care Clinic. We share our waiting area with Flight and Navy Medicine.

Department Services:

We provide primary care and urgent care services, ocular disease management, pediatric exams, occupational and flight evaluations, and contact lens services. We administer the Aircrew Soft Contact Lens, Ballistic Protective Eyewear, and the Corneal Refractive Surgery Programs. We offer routine eye exams, to include annual retinal exams for our diabetic patients, occupational exams as required for duty, and render urgent care and consultation in association with our fellow clinics in the 35th Medical Group.

Walk-in services:

Spectacle adjustments, prescription re-writes, refractive surgery paperwork review, deployment out-processing, grounded aviator exams

Patient Instructions:

Bring your most current pair of glasses, contact lenses/contact lens boxes (if any), and/or most recent prescriptions. Please arrive at least 15 minutes prior to your appointment time.
