

About BusWhere: Misawa Air Base

We are pleased to now offer BusWhere shuttle tracking service provided by Team Misawa! We continue to strive to make planning your day simpler when a more convenient transportation experience. With BusWhere shuttle tracking you will be able to do the following:

- See the location of the bus on the map in real-time
- View ETAs for your pickup and drop/off stops
- Receive arrival alerts at your favorite stop 10 minutes prior to the bus arrival
- View real-time announcements about any potential delays or schedule changes

Scan the QR Code here to begin the registration process for your BusWhere account:
